

Medical Council OF NEW SOUTH WALES

Media Statement 27 June 2017

Registration of Dr Roland von Marburg

In May 2017 the Medical Council of NSW took action under section 150 of the *Health Practitioner National Law (NSW)* to suspend the registration of Dr Roland von Marburg as an interim measure to protect the health and safety of the public.

Dr von Marburg asked the Medical Council to review his suspension and provided new material for consideration. On 23 June 2017, the Council set aside the suspension order and imposed conditions on his registration.

The public conditions will be published on the Australian Health Practitioners Regulation Agency on the [Register of Practitioners](#) shortly. Private conditions are also imposed on Dr von Marburg's registration but under confidentiality laws, private conditions are not published or provided by the Medical Council.

Dr von Marburg will remain subject to all conditions imposed on his registration pending the outcome of an investigation by the Health Care Complaints Commission (HCCC) which is currently underway.
